ABOUT

Motivated undergraduate in Computer Science and Engineering with hands-on experience in software development and problem-solving. Passionate about leveraging technology to address real-world challenges. Quick to adapt and highly collaborative, seeking to contribute meaningfully to a dynamic tech team.

EDUCATION

Kalasalingam Academy of Research and Education

B.Tech in Computer Science and Engineering | Specializing in AIML | **CGPA - 8.26**

2022 – 2026

Madurai, Tamil Nadu

Sri Chaitanya Junior Kalasala

Mathematics, Physics, and Chemistry | **Score - 954/1000**

2020 – 2022

Hyderabad, Telangana

ST Mary's High School

Secondary School Certificate | **CGPA - 10.0**

2019 – 2020

Jangaon, Telangana

TECHNICAL SKILLS

Programming Languages: Java, Python, C

Tools Platforms: Git, GitHub

Competitive Programming: Problem-solving in coding challenges.

PROJECTS

C-Orbit-(Content Orbit) | Secure Platform for Sharing and Exploring Diverse Content.

- Deployed under the name itslinked.in (or) kannected.onrender.com
- Attracted 1.5K+ unique users and received 7K+ views globally.
- Emphasized user privacy, scalability, and a responsive UI.

PARK'N RIDE | Smart parking platform for efficient slot booking and management.

- Built an intelligent parking solution enabling users to locate, book, and pay for slots in real-time.
- Integrated features to support smart city initiatives, reduce congestion, and improve urban mobility.
- Contributed to sustainability through efficient resource utilization.

INTERNSHIP

Elevate Labs

Java Developer Intern

June 2025 – Present

Remote

- Contributed to Java-based application development and debugging tasks.
- Applied object-oriented principles and followed best coding practices.

EXTRACURRICULAR

Computer Society of India – KARE Chapter

September 2024 – Present

Java Expert

- Worked closely with peers to organize coding competitions and tech events, improving my teamwork and coordination skills.
- Gained hands-on experience in designing Java challenges and debugging exercises.
- Learned how to manage events effectively and contribute to a collaborative tech community.

CERTIFICATIONS

- Career Essentials in Software Development – Microsoft & LinkedIn Learning (June 2025) 
- Java Programming – Great Learning
